

Commuter Challenge Results Sheet

If you used the electronic version of the Tally Sheet, you can email the spreadsheet to awainright@mpo.noaca.org.

Your contribution to clean air will be calculated in terms of:

- Volatile Organic Compounds (VOCs),
- Oxides of Nitrogen (NO_x),
- Particulate Matter (PM),
- Carbon Dioxide (CO₂),
- Dollars

Thank you so much for your effort to clean Northeast Ohio's air!
