I'm taking a short survey on transportation, air quality, and state, county, city, village, and town bike maps.

If you’re a bike rider: take the Bike Map Survey at Surveymonkey.com/r/CUYAHOGA

If you’re an urban planner: please complete this form: bit.ly/BikeMapSurvey

If you have questions: ask us! We can help you.

Sincerely,
bikeDev Team
In intersections, yield the right of way to all turns and pedestrians. Do not pass on a green light. People on bicycles have the same rights to the road as cars. Pay attention to marked crosswalks and stop at stop signs and traffic lights. People on bikes have the right of way on sidewalks, if marked with signs indicating so.

**Bike Rules & Safety**

- **Bike Lane:** Dedicated bike paths are painted with a solid yellow line. Do not ride on these unless you are a biker. If you are driving, please move to the right side of the road when you see a dedicated bike path.
- **Bike Route:** Bike routes are marked with a green line and a bicycle symbol. They are also marked with signs.
- **Bike Trail:** Bike trails are marked with a blue line and a bicycle symbol. They are also marked with signs.
- **Bike Park:** Bike parks are marked with a green line and a bicycle symbol. They are also marked with signs.

**Intersection & Turning Signals**

In intersections, yield the right of way to all turns and pedestrians. Do not pass on a green light. People on bicycles have the same rights to the road as cars. Pay attention to marked crosswalks and stop at stop signs and traffic lights. People on bikes have the right of way on sidewalks, if marked with signs indicating so.
