No warranty is made or intended as to the safety or fitness of the highways, roads, streets, paths or other byways for bicycle travel. These are merely suggestions and require the exercise of caution and discretion by an individual. The State of Ohio, its counties, cities and other subdivisions as well as their elected officials, officers and employees disclaim any responsibility whatsoever and shall not be liable in any manner for loss, damage, or injury occasioned by bicyclists who, of their own volition, travel along the highways, roads, streets, paths, or other byways of Ohio.

This publication was financed by appropriations from the counties of and municipalities within Cuyahoga, Geauga, Lake, Lorain and Medina; the U.S. Environmental Protection Agency; and the U.S. Department of Transportation, Federal Transit Administration and Federal Highway Administration, in conjunction with the Ohio Department of Transportation.

This map will periodically be revised and reissued. If you notice any needed corrections or have suggestions for future maps, please call 216.241.2414, extension 250 or email to mvonallmen@mpo.noaca.org and let us know.
Be Safe  Have Fun!

Drivers of bicycles are obligated to obey all traffic control laws of the local authority. They may not prohibit the use of bikes on a freeway except where there exists a separate facility for bicycles.

Every device propelled solely by human power and having no engine or motor, including a bicycle.

Driver/Operator:

Bicycle: 14 inches in diameter. This excludes tricycles designed as a vehicle.

14 inches in diameter. This excludes tricycles designed as a vehicle.

Bicycles are allowed on sidewalks, subject to local laws. Local authorities, however, are not permitted to require bicycles to operate on sidewalks.
