

NORTHEAST OHIO AREAWIDE COORDINATING AGENCY (NOACA) PROJECTS

The following list contains projects that have been through NOACA's Project Planning Review process and have been approved by the NOACA Governing Board. State Fiscal Year 2009 projects are considered "shovel ready," and can be ready to contract within 90-120 days. Certain 2010 projects could also be made ready within that time frame. For more information on Northeast Ohio projects, see NOACA's Transportation Improvement Program (TIP) document at: <http://www.noaca.org/tip.html>
