Dear NOACA Member:

**RE: AVON INTERCHANGE**

**We, the undersigned Lorain County NOACA members, respectfully urge and request your vote for the Avon Interchange Proposal on October 12<sup>th</sup>.**

**While the D. B. Hartt, Inc. study brings forth many items for consideration, we would like to focus specifically on the traffic congestion issue which would be alleviated by the interchange construction over I-90 at Nagel Road in Lorain County. As you know, this project does not include any NOACA dollars.**

**The citizens of Avon have done much work in preparing a Zoning Code for their City and look forward to some relief of traffic congestion with the construction of this Interchange. Since we are all neighbors in this region, we are counting on your support for this important Lorain County issue.**

Thank you in advance,

**Robert Berner, Mayor  
Avon Lake**

**Betty Blair, Commissioner  
Lorain County**

**Ken Carney, Engineer  
Lorain County**

**Ted Kalo, Commissioner  
Lorain County**

**Frank Pakish, Trustee  
New Russia Township**

**John Romoser, Mayor  
Lorain**
