Resolution 2015-029: Reprogramming of TLCI Funds for a Multimodal Transportation Facility Application

Northeast Ohio Areawide Coordinating Agency
Board of Directors
March 13, 2015
Action Requested

- Request that the Board of Directors adopt Resolution No. 2015-029 which:
  - Approves the reprogramming of Transportation for Livable Communities Initiative (TLCI) funds to support the Multi-modal Transportation Facility Application

Previous Action

- The Planning and Programming Committee recommended approval of the reprogramming of funds
Background

- Latest TLCI application round opened January 26, 2015
- Scheduled for Board action on June 12, 2015
- Awarded projects would start in late summer/early fall 2015
Multimodal Transportation Facility Project

- Received TLCI application and request for accelerated funding from regional partners:
  - Amtrak
  - City of Cleveland
  - GCRTA
  - Greyhound

- Implementation for RNC (RNC Cooperative Agreement – NOACA Resolution 2014-047)
Multimodal Transportation Facility Project Application

- Proposed project will evaluate feasibility and options for a multimodal transportation facility
- Application is consistent with the objectives of the TLCI Policy and program
- Current TLCI process would prevent implementation for RNC
Proposed Study Area
Financial Impact

- Total project cost - $150,000
  - $120,000 – federal funds
  - $30,000 – local match from City of Cleveland & GCRTA
- Project would be funded from
  - Unused 2013 TLCI funds
  - 2014 TLCI funds returned from canceled Wadsworth project
- This action will not impact any funding for the current TLCI application cycle
Next Steps

- With Board approval, staff will work with regional partners to implement this project
NOACA will **STRENGTHEN** regional cohesion, **PRESERVE** existing infrastructure, and **BUILD** a sustainable multimodal transportation system to **SUPPORT** economic development and **ENHANCE** quality of life in Northeast Ohio.
