**WHEREAS**, item “h” (and item “aa”), a capacity adding project, is part of the agency’s existing fiscally constrained long range transportation plan, Connections 2030, and, as a result, has met transportation conformity requirements; and

**WHEREAS**, the other projects are capacity neutral and do not require an emissions analysis for transportation conformity; and

**WHEREAS**, the above projects are consistent with current financial forecasts and plans; and

**WHEREAS**, the above projects are consistent with the goals and objectives of the Region's land use and transportation plans; and

**WHEREAS**, the above projects are recommended by the Transportation Advisory Committee (TAC) as amendments to the Plan and TIP as appropriate.

**NOW, THEREFORE, BE IT RESOLVED** by the Governing Board of the Northeast Ohio Areawide Coordinating Agency, consisting of thirty-eight principal officials of general purpose local government throughout and within the Counties of Cuyahoga, Geauga, Lake, Lorain and Medina that:
