- CUY IR 480/TIEDEMAN INTERCHANGE: PID No. 80970 - This project involves upgrading the interchange at IR-480 and Tiedeman Rd in the City of Brooklyn using SAFETEA-LU earmark (No. 1734) funds. This project is the result of a preliminary development study (CUY IR 480 - 7.27 STUDY: PID No. 77616) to address safety and congestion issues on IR-480, from Grayton Road to Tiedeman Road, in Cleveland and Brooklyn.
- LAK LAKELINE VILLAGE WALKWAYS: PID No. 80977 – The Village of Lakeline is the sponsor of a SAFETEA-LU House High Priority Project (HHPP) Earmark No. 2373 (Construction and repair of pedestrian walkways along Lake Shore Blvd.). The Village of Lakeline will be the project sponsor.

The project involves construction and repair pedestrian walkways on the south side of Lakeshore Boulevard (SR-283), in Lakeline Village. The project's total construction cost is estimated between \$169,334 and \$280,000. A maximum total of \$210,392 will be available from 4HY10 funds for the project. Of the \$210,392 of earmark funds available to the sponsor, \$20,000 will be used for preliminary engineering (PE). Anything over \$210,392 will be provided by the Village of Lakeline.

Please incorporate this information into ellis as needed. If you have any questions about these projects please contact John Hosek or me.
