

May 4, 2010

**LAK SRTS FY2011 MENTOR: PID No. 88291** - This project involves hiring and training an enforcement coordinator to work with the school districts to promote safe travel methods for active transportation. The project also includes providing promotional and incentive material. The estimated cost of the project is \$88,000. The project will be funded with 100 percent federal funds through the SRTS Program.

**LAK SRTS FY2011 MENTOR: PID No. 88289** - This project involves creating new bike paths, upgrading and installing sidewalks and crosswalks, upgrading school zone flashers at crosswalks, updating signage and installing bike racks. The estimated total cost of the project is \$152,000. The project will be funded with 100 percent federal funds through the SRTS Program.

Attached is the technical amendment sheet portraying the projects in the appropriate years.

Please incorporate this technical amendment into the July STIP amendment as well as Ellis management system as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
