

June 2, 2010

way (IM) funds. The remaining twenty percent (\$1,936,092) of the PEDD cost will be funded with State funds.

CUY SRTS FY2011 SHAKER HEIGHTS: PID No. 88288 – This project was originally included in a May 4, 2010 technical amendment. The project, sponsored by Shaker Heights, involves installing bike racks, applying striping to crosswalks and selected intersections, updating signage at crosswalks and intersections and updating handicap curb ramps to current ADA standards. The estimated total cost of the project is \$460,000. The City of Shaker Heights has requested a Preliminary Engineering (PE) phase be added to the project at a cost of \$34,240. The remaining \$425,760 will be used for construction. The PE and construction phase of the project will be funded with 100 percent federal funds through the Safe Routes to School (SRTS) Program.

CUY US 422-08.88: PID No. 85207 - This project was processed through Project Planning Review (Resolution No. 2009-017) and amended to the Transportation Plan on June 12, 2009 (Resolution No. 2009-018). The project, sponsored by the Cuyahoga County Engineer, involves reconfiguring the intersection at Chagrin Boulevard, Warrensville Center Road, Van Aken Boulevard and Northfield Road, in Shaker Heights, from six legs to four legs to improve the area's geometrics, operations and safety. The project needs to be amended to include a \$500,000 FY 2010 Appropriations Earmark in the Right-of-Way (RW) phase for SFY 2011.

GEA SR 306-07.96: PID No. 84280 - This project was processed through Project Planning Review (Resolution No. 2009-037) and amended to the Transportation Improvement Program on December 11, 2009 (Resolution No. 2009-038). The project, sponsored by ODOT District 12, involves resurfacing SR 306, from SR-87 to US-322, in Russell and Chester Township. ODOT District 12 has requested that this project's PID No. be changed to 81329. **GEA SR 306-07.96: PID No. 81329** will be programmed in fiscal year (FY) 2012.

GEA SR 528-06.35: PID No. 81329 - This project was processed through Project Planning Review (Resolution No. 2007-019) and amended to the Transportation Improvement Program on June 8, 2007 (Resolution No. 2007-020). The project, sponsored by ODOT District 12, involves resurfacing five miles of SR-528, from SR-87 (Kinsman Road) to US-322 (Mayfield Road) in Middlefield and Huntsburg Township. ODOT District 12 has requested that this project's PID No. be changed to 84280. **GEA SR 528-06.35: PID No. 84280** will be programmed in FY 2011.

MED IR 76-07.03: PID 77474 – This project was processed through Project Planning Review (Resolution No. 2008-015) and amended to the Transportation Improvement Program on June 13, 2008 (Resolution No. 2008-016). The project, sponsored by ODOT District 3, involves minor rehabilitation along IR 76, from west of SR 57 to the Medina/Summit County line, in Wadsworth Township and Wadsworth. The section number for this project should be changed from 07.03 to 07.61. ODOT District 3 has requested a technical amendment to include federal funding in the Preliminary Engineering (PE) phase in FY 2011. The estimated cost for the PE phase is \$1,250,000. Ninety percent (\$1,125,000) will be funded with IM funds. The remaining ten percent (\$125,000) will be funded with State funds.

Attached is the technical amendment sheet portraying the projects in the appropriate years.

Please incorporate this technical amendment into the July STIP amendment as well as Ellis management system as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
