● **Comments:**

The purpose of this correspondence is to inform you of a technical amendment to the SFY 2008 – 2011 Transportation Improvement Program (TIP), dated May 11, 2007, involving the following project:

CUY LAKEFRONT WEST DESIGN: PID No. 77330 – This project involves the reconstruction of the West Shoreway (US 6/US 20/SR 2), from Baltic Road to West 25th Street, in Cleveland. The City of Cleveland is the project sponsor. The project is listed on page 51 of the TIP as CUY US 006-12.20. The preliminary engineering detail design (PEDD) phase of this project is estimated to be \$3,200,000, currently being funded with state funds. It is our understanding that ODOT would like to utilize federal (S/STP) funds for this phase. Eighty percent (\$2,560,000) will be funded with S/STP funds. Twenty percent (\$640,000) will be funded by ODOT.

Attached is the technical amendment sheet portraying the project in the appropriate year.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsors to access funding as needed.

Please contact me if you have any questions.
