Preliminary Project Information Sheet

Directions

This information sheet is not an application for federal funds. It is to be used for potential federal-aid transportation projects that are at the preliminary stage of planning and development. For example, projects at this stage may not have completed public involvement or have authorizing legislation. However, by completing this information sheet, you can help to facilitate the review of your project ideas. Early coordination with NOACA regarding any proposed project may be crucial to the timetable of your project.

NOACA strongly requests the completion of this information sheet prior to setting up a meeting with staff to discuss your project.

If you have any questions regarding this form, please contact Ed May, Senior Transportation Planner at 216-241-2414, extension 287, or email at Emay@mpo.noaca.org.
