● **Comments:**

The purpose of this correspondence is to inform you of a correction to a project included in the draft SFY 2016 - 2019 Transportation Improvement Program (TIP) dated June 2015 (approved by the NOACA Board of Directors on June 12, 2015) involving the following project.

- **CUY VALLEY PARKWAY CONNECTOR PHASE 1: PID No. 97888** - This project involves the construction of approximately three miles of all purpose trail, between Broadview Road and Brecksville Road, in the Cities of Broadview Heights and Brecksville in the Cleveland Metroparks Brecksville Reservation. The project was amended to the plan via Resolution No. 2013-015. The project was awarded Congestion Mitigation Air Quality Funds in December 2014. The project is listed on page 36 of the draft SFY 2016 - 2019 Transportation Improvement Program (TIP) dated June 2015 (approved by the NOACA Board of Directors on June 12, 2015, via Resolution 2015-040). A portion of the funding was erroneously omitted from the TIP entry and needs to be included with the project funding. This is not a cost increase. It is a correction. Attached is the technical amendment sheet portraying the project with the correct funding amount.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.

SFY 2016 - 2019 Transportation Improvement Program

TECHNICAL AMENDMENT

Highway and Bikeway Element

6/19/15

Amendments
