The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2016 – 2019 Transportation Improvement Program, June 2015 (TIP) involving the following project.

CUY VALLEY PARKWAY CONNECTOR PHASE 1: PID No. 97888 – This project is listed on page 36 of the SFY 2016 - 2019 Transportation Improvement Program (TIP) dated June 2015 (approved by the NOACA Board of Directors on June 12, 2015, via Resolution 2015-040).

The project was also amended via technical amendment dated June 19, 2015.

The project involves the construction of approximately three miles of all purpose trail, between Broadview Road and Brecksville Road, in the Cities of Broadview Heights and Brecksville in the Cleveland Metroparks Brecksville Reservation.

The sponsor reports that the cost estimate has been revised from \$1,778,000 to \$ 2,362,090 to reflect actual project design and required mitigation. The adjusted cost estimate does not exceed the threshold.

Attached is the technical amendment sheet portraying the project with the revised funding amount.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
