● **Comments:**

The purpose of this correspondence is to inform you of a technical amendment to NOACA's SFY 2012 – 2015 Transportation Improvement Program (TIP), involving the following projects:

LOR IR 0090 13.20: PID No. 83449 – This project involves bridge deck replacements on IR 90-13.20: L&R over SR 57 and IR 90-13.55: L&R over West River Rd in Elyria. The project has been restructured due to the new PDP. The PE phase of is being added.

LOR SR 0082 09.05 (Boone Rd): PID No. 92836 – This project involves realigning the north and south approaches of Boone Rd to create a four leg intersection with SR 82, installing left turn lanes on SR 82 and the installation of a traffic signal. The project has been restructured due to the new PDP. The PE phase of is being added.

LOR US 0020 22.19: PID No. 82632 – This project is listed on page 93 of the TIP. The project involves widening from 3 lanes to 5 lanes and rehabilitation along US 20, from (22.19)West of Stoney Ridge Rd to (24.21) Lear Nagle Rd, in North Ridgeville. The project has been restructured due to the new PDP. The PE phase of is being added.

MED US 0042 17.80: PID No. 92954 – This project involves reconstruction and adding lanes on US 42, from 17.68 (Harding St) to 19.40 (Fenn Rd), in Medina, Medina Township. The project has been restructured due to the new PDP. The PE phase of is being added.

MED SR 0018 13.54: PID No. 92953 – This project involves widening SR 18 to 5 lanes, from 13.54 (Foote Rd) to River Styx and 7 lanes from River Styx Rd to Nettleton Rd (15.15), in Medina Township and Montville Township. The project has been restructured due to the new PDP. The PE phase of is being added.

Attached is the technical amendment sheet portraying the projects, their respective costs and in the appropriate years.

Please incorporate this technical amendment into the STIP as well as ellis as appropriate so that funding can be accessed as needed.

Please contact me if you have any questions.
