● **Comments:**

The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2018 – 2021 Transportation Improvement Program (TIP), June 2017 involving the following projects.

- **CY 2018-20 VEHICLE REPLACEMENT: PID No. 94963** – This project, sponsored by Greater Cleveland Regional Transit Authority (GCRTA), is listed on page 113 of the NOACA TIP. Three of the project' activity line item (ALI) codes are being changed from 40 foot buses to 45 foot commuter buses so GCRTA can replace 9 of its MCI (Motor Coach Industry) coaches instead of 12 standard 40 foot buses. The funding sources are 2018 and 2019 UTP (Urban Transit Grant) program funds and 2019 FTA (Federal Transit Administration) 5307 Urban Formula funds.
- **LCT 2018 BUS REPLACEMENT (4): PID No. 99184** - This project, sponsored by Lorain County Transit (LCT), is listed on page 139 of the NOACA TIP. The number of vehicles is being reduced from 5 to 4 vehicles. The total cost is being revised from \$300,000 to \$240,000. Also, the funding source is being changed from Section 5307 to Ohio Transit Preservation Partnership Program (OTPPP). The total cost of \$240,000 includes transportation development credit (TDC).

Attached is the technical amendment sheet portraying the projects in the appropriate years.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
