

**Share your walk, bike or ride to get students to school!**

**Schoolpool is a free, secure service** that connects families who want to share the school commute. Link up with other parents to get students to school safely – whether walking, biking or driving.

## WHY SCHOOLPOOL?

- **Save time and money** by sharing rides and walks.
- **Reduce traffic congestion** and emissions near schools.
- **Improve air quality** which can affect asthma rates.
- **Improve attendance** and reduce tardiness.
- **Create connections** with other families and make new friends!
