● **Comments:**

The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2018 – 2021 Transportation Improvement Program (TIP), June 2017 involving the following projects.

- **GCRTA BUS PREV MAINTENANCE: PID No. 90148** – This project, sponsored by Greater Cleveland Regional Transit Authority (GCRTA), is listed on page 113 of the NOACA TIP. The project involves maintenance, replacement and rehabilitation of capital assets. The funding associated with the activity line item is being revised to reflect the addition of \$720,965 of Section 5337 State of Good Repair funding to the FY (fiscal year) 2019 grant for preventative maintenance (bus), supplanting some of the Section 5307 Capital Formula funding.
- **GCRTA E 79 STAT REHAB: PID No. 97606** – This project, sponsored by GCRTA, is listed on page 114 of the NOACA TIP. The project involves construction phase items for the rehabilitation and reconstruction of Americans with Disabilities (ADA) upgrades of GCRTA's red line East 79th Street heavy rail station and platform. The funding sources associated with the activity line items are being changed from 100% local to 80% federal (utilizing Section 5307 Capital Formula funding and Section 5337 State of Good Repair funding) and 20% percent local funding.

Attached is the technical amendment sheet portraying the projects in the appropriate year.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
