**CEDAR-TAYLOR BUSINESS DISTRICT**

From the 2013 Merchant Streetscape Plan

<table>
<thead>
<tr>
<th>ASSETS</th>
<th>CHALLENGES</th>
</tr>
</thead>
<tbody>
<tr>
<td>The district supports a large amount of independently-owned, local businesses.</td>
<td>South Taylor and Cedar Road intersection feels congested.</td>
</tr>
<tr>
<td>Public parking is important to the district.</td>
<td>Current public parking feels far away from destinations.</td>
</tr>
<tr>
<td>Businesses and property owners are actively engaged in improving and investing in their properties.</td>
<td>Lack of maintenance at key properties detracts from overall perceptions of the district.</td>
</tr>
<tr>
<td>The district supports many smaller, service-oriented businesses that many neighborhood districts lack.</td>
<td>Current public parking feels unsafe.</td>
</tr>
<tr>
<td>The district is extremely compact and walkable.</td>
<td>Lack of maintenance at key properties detracts from overall perceptions of the district.</td>
</tr>
<tr>
<td>The district is well-connected to surrounding neighborhoods.</td>
<td>Visitors don’t typically visit more than one business per trip.</td>
</tr>
<tr>
<td>A significant amount of pass-through traffic creates an opportunity for great visibility.</td>
<td>Complex rules around parking make people feel unsure/uncomfortable.</td>
</tr>
</tbody>
</table>

Use sticky dots to tell us if the statements to the right are correct in your opinion.

**Green sticky dot = I believe this statement is true.**

**Red sticky dot = I believe this statement is incomplete and/or inaccurate.**
VEHICLE PARKING @ CEDAR-TAYLOR

Place a green dot where you look for parking FIRST.

If that spot is full, where do you look for parking next? Place a yellow dot where you look for parking SECOND.

Place a red dot on your most frequent destinations.
Place a **red dot** on your most frequent destinations in this area.

Where is travel in this area uncomfortable? Please indicate areas for improvement with a **blue dot**.
Draw a red circle on areas that feel dangerous for pedestrians. Please write an explanation.

Place a blue dot on sections of Taylor where you think pedestrian crosswalks improvements are needed.

Each section of Taylor Road has a different road configuration as shown to the left.

Please let us know your experiences on Taylor Road (positive and negative) with a note/comment.
