The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2018 – 2021 Transportation Improvement Program (TIP), June 2017 involving the following projects.

LAK LAKETRAN LIGHT TRANSIT VEHICLES: PID No. 99114 – This project is listed on page 131 of the NOACA TIP. The project was amended via Resolution 2019-015 to reflect funding awarded through the fiscal year (FY) 2019 Ohio Transit Preservation Partnership Program. The project was awarded Section 5310 funding (via Resolution 2018-042). The 5310 funds will supplant local funding reflected in the project in resolution 2019-015.

LAK LAKETRAN WICKLIFFE PARK & RIDE LOT RECONSTRUCTION: PID No. 108885 - This project was amended to the NOACA TIP via Resolution 2019-015. Subsequently, Laketran identified unserved area Section 5307 funds that have not been obligated that they will use on this project, supplanting local funding reflected in the project in resolution 2019-015.

Attached is the technical amendment sheet portraying the projects in the appropriate year.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
