The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2018 – 2021 Transportation Improvement Program (TIP), June 2017 involving the following projects.

CUY GCRTA SFY 2018 – 2020 VEHICLE REPLACEMENTS: PID No. 94963 – This project is listed on pages 113 and 114 of the NOACA TIP. The project involves the purchase of replacement buses.

The project was amended via Resolution 2018-039 to reflect revisions to existing Section 5307 grants.

The project is also programmed with \$4,462,500 in CMAQ funds and \$1,115,625 in local funds in SFY 2020. NOACA was notified that there was available CMAQ balance to advance vehicle purchases from 2020 to 2019. NOACA submitted a technical amendment dated April 10, 2019, requesting the CMAQ funds be advanced from 2020 to 2019. Additionally, NOACA submitted a request to transfer CMAQ funds on April 10, 2019.

Subsequently, GCRTA requested that the ALI for which the CMAQ funds are programmed in the STIP be revised from 11.12.01 (40-ft bus) to ALI 11.12.06 (articulated bus) for purchasing six (6) 60-ft CNG BRT replacement vehicles.

Additionally, GCRTA wants to revise the 2019 FTA Section 5307 line item, from ALI 11.12.01 at \$3,014,150 federal and \$753,538 local for 8 vehicles to the following to allow the purchase of two additional 60-ft. CNG BRT Replacement Vehicles.

The revised line item would be ALI 11.12.01 (\$1,574,150 federal and \$393,538 local) for 4 vehicles and new line item ALI 11.12.06 (\$1,440,000 federal and \$360,000 local) for 2 vehicles.

Attached is the technical amendment sheet portraying the project in the appropriate year.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
