● **Comments:**

The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2018 – 2021 Transportation Improvement Program (TIP), June 2017 involving the following project.

MED MEDINA OPERATING/ADA PARATRANSIT: PID No. 104338 – This project is listed on page 147 of the NOACA TIP. The total project cost is \$955,000. The project is programmed with \$60,000 in Section 5307 Urban Formula Program funds and \$15,000 in local funds for Activity Line Item (ALI) code 11.7C.00 (Non Fixed Route ADA Paratransit). The project is also programmed with \$422,000 in Section 5307 funds, \$398,000 in local funds and \$60,000 in Urban Transit Program (UTP) funds for ALI code 30.09.04 (Non Fixed Route ADA Paratransit).

The project's funding is being amended to reflect an increase in the amount of UTP funding from \$60,000 to \$133,852. The additional UTP funding will supplant a portion of the local match, reducing the local match from \$350,000 to \$276,148. The project cost and the respective ALI's remain the same.

Attached is the technical amendment sheet portraying the project in the appropriate year.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
