2020 FOCUS AREAS

Bicycle and Pedestrian Advisory Council
February 21, 2020
ACTIONS REQUESTED

No action requested

PREVIOUS ACTION

None
At the first Planning and Programming Committee meeting of the year, focus areas are adopted for:

- Planning and Programming Committee
- Air Quality Subcommittee
- Transportation Subcommittee
- Water Quality Subcommittee

Transit Council, Bicycle and Pedestrian Advisory council and Safety and Operations Council all report to the Transportation Subcommittee.
Transportation Subcommittee:

Purpose:
- The Transportation Subcommittee shall provide advice and policy recommendations to the Planning and Programming Committee with regard to transportation matters affecting the Planning Area.

Functions:
- Assisting the Planning and Programming Committee and Agency staff in developing short and long-range plans and programs for the Planning Area, in accordance with NOACA’s role and responsibilities as an MPO as required by federal law.
- Assisting the Planning and Programming Committee and Agency staff in identifying significant transportation issues, using a regional approach to address these issues.
- Assisting the Planning and Programming Committee and Agency staff in development of the transportation elements of the annual overall work program.
• BPAC is comprised of representatives and members of the bicycling and pedestrian community and helps NOACA to understand and integrate the unique transportation planning needs of the bicycling and pedestrian community.

• BPAC provides recommendations on the region’s bicycling, pedestrian, and trail policies and programs to the Transportation Subcommittee.

• The BPAC also encourages bicycling as a viable transportation mode, and supports facilities that increase bicycling and pedestrian use.
