The purpose of this correspondence is to inform you of an amendment to the NOACA SFY 2014 – 2017 Transportation Improvement Program, May 10, 2013 (TIP) involving the following projects:

- **CUY GCRTA ASSET MANAGEMENT DATABASE SOFTWARE: PID No. 96748** – This project involves the purchase of asset management database software to enable GCRTA to meet the new MAP-21 requirements. Funds from this grant were originally programmed in 2013 in support of the purchase of the software and support in implementing it within GCRTA.
- **CUY GCRTA BUS IMPROVEMENT PROGRAM: PID No. 90068** - This project is included in the approved STIP and listed on page 189 of the NOACA TIP in SFY 2014. The project involves the purchase of commuter buses for GCRTA's fixed route service. GCRTA is purchasing six (6) 40 foot buses with funding awarded through the Ohio Transit Preservation Partnership Program (OT-PPP). A funding event is being added for FY 2014 OTPPP funds as a CMAQ flex fund transfer. GCRTA is also purchasing four (4) 40 foot buses with funding awarded through the Urban Transit Program (UTP). A funding event is also being added for UTP funds as a CMAQ flex fund transfer. Since the scope is for vehicles and the change is less than 50%, an administrative modification is applicable.
- **CUY GCRTA MAYFIELD RD RAPID TRANSIT STATION RECONSTRUCTION: PID No. 90171** - This project is being funded through a TIGER III Grant (OH-79-0003). GCRTA will move \$150,000 from the construction ALI to the design ALI. GCRTA had an older grant funding design which it needed to close. Since GCRTA's construction contract is under budget it will transfer the funds to fund this portion of the design in the TIGER III grant. There is no change to the overall grant amount.
- **CUY GCRTA 2008 EARMARK FOR THE SENIOR TRANSPORTATION CONNECTION GRANT (OH-04-0067): PID No. 92709** - They are a sub-recipient to GCRTA and they have purchased the vehicles in the earmark and have funds remaining in that ALI. They are requesting the transfer of a total of \$130,000 to the Acquire - Miscellaneous Support Equipment ALI. There is no change to the overall grant amount.
- **LAK LAKETRAN PARATRANSIT VANS: PID No. 89609** - This project is included in the approved STIP and listed on page 205 of the NOACA TIP in SFY 2014. The project involves the purchase of paratransit vans for Laketran's Dial-a-Ride service. Laketran is purchasing three (3) vehicles with funding awarded through the Ohio Transit Preservation Partnership Program (OTPPP). A funding event is being added for FY 2014 OTPPP as a CMAQ flex fund transfer. Since the scope is for vehicles and the change is less than 50%, an administrative modification is applicable.

- **MED MEDINA COUNTY PUBLIC TRANSIT (MCPT) NEW FREEDOM PROGRAM** - This was approved by the NOACA Board of Directors via resolution 2013-028 (JARC and New Freedom Funding). The project involves the MCPT's expansion of complimentary ADA (Americans with Disabilities) paratransit service from 3/4 of a mile to a one mile radius in the City of Medina.

Attached is the technical amendment sheet portraying the projects in the appropriate years.

Please incorporate this technical amendment into the next STIP amendment as well as ellis as appropriate to enable the sponsor to access funding as needed.

Please contact me if you have any questions.
