

**NORTHEAST OHIO AREAWIDE COORDINATING AGENCY**  
**REQUEST FOR PROPOSALS**  
***REGIONAL HOUSEHOLD TRAVEL SURVEY***

**Vendor Questions as of December 27, 2022**

***Could you provide a sample contract for review and noting of any exceptions?***

A contract for this project has not yet been developed. Once an award is made, NOACA will provide the selected vendor with a proposed contract for review and approval of terms and conditions.

***Is it acceptable for us to recreate the Table of Deliverables that appears on RFP page 14, or must we include a completed copy of page 14 in our proposal?***

It is acceptable for vendors to recreate the Table of Deliverables that appears on page 14 of the RFP.

***If it is acceptable to recreate this table, is it acceptable for us to add to the table a column to indicate the staff person responsible for each deliverable, as requested in B.1 on RFP page 10.***

Yes, it would be acceptable to add responsible person to this table.

***Is NOACA working with a modeling consultant like WSP, Cambridge Systematics, Caliper, etc. for this project?***

NOACA is not working with a modeling consultant since it has its own internal modeling business unit which developed and maintains the region's travel forecasting model.

***Is there a budget for this project?***

The primary focus of this procurement is to achieve the best possible combination of technical quality and reasonable cost, based upon the relative points attributed to the evaluation factors stated in the solicitation.
