Transportation Plan for Northeast Ohio
Vendor Questions as of November 22, 2023

- 1. NOACA issued an RFP in September 2023 to update the Coordinated Public Transit-Human Services Transportation Plan. Since the activities of that RFP scope of work will involve the outcome of this RFP, how will the two projects interact? Will they be conducted at the same time? Will there be any shared meetings or interviews?**

The RFP for the *Coordinated Public Transit-Human Services Transportation Plan* that was issued in September has been canceled and is being replaced with this current RFP.

- 2. Is there a consultant working on the other Coordinated Plan Update activities (from the September RFP) or is NOACA doing those tasks in-house?**

The RFP for the *Coordinated Public Transit-Human Services Transportation Plan* that was issued in September has been canceled and is being replaced with this current RFP.

- 3. What is the expected budget range for the project?**

The budget will be determined based on evaluation of vendor responses and pricing.
