

# Northeast Ohio Areawide Coordinating Agency (NOACA)

## Request for Proposals

As-Required Engineering, Design & Planning Services

Vendor Questions as of February 20, 2024

- 1. Would consultant support under this contract preclude the consultant from pursuing potential projects that would follow? This could apply to support for grant preparation, development/review of scopes of service, and cost estimates.***

Specific tasks under this contract will be governed by federal requirements, including but not limited to § [200.319\(b\)](#), as well as any other requirements that might be imposed by specific Grant Agreements. However, due to the undefined scope for specific tasks, this question would need to be addressed on a case-by-case basis.
