NOACA Building Mural Project

Artist Questions as of 7/3/2024

1. *What is the fabrication/installation budget, and the stipend amount for applicants chosen to submit more specific designs.*

We are in the process of determining the amount of the stipend that would be paid for the concept development. Information on the amount of the stipend will be provided to selected artists at the time that they are invited to submit a concept.

NOACA has reserved a maximum of \$50,000 in our budget for this project which will support the costs of concept stipends, artists fees, and other project costs.
